Moore, John Hamilton, d. 1807, comp.
The young gentleman and lady's monitor and English
teacher's assistant; being a collection of select pieces from
our best modern writers, calculated to eradicate vulgar pre-
judices and rusticity of manners, improve the understanding,
rectify the will, purify the passions, direct the minds of
youth to the pursuit of proper objects, and to facilitate their
reading, writing, and speaking the English language, with
elegance and propriety. Particularly adapted for the use of
our eminent schools and academies, as well as private per-
sons who have not an opportunity of perusing the works of
those celebrated authors from whence this collection is made.
